Take the term "COME CONNECT" very seriously. It is our goal to provide the perfect atmosphere and experience so that a family can enjoy each other's company on the water; a group of friends can share a ton of laughs, a couple can spend some quiet "us" time together, or get "me" time and connect with Mother Nature. We provide canoeing, kayaking, rafting, and lazy river tubing. If it's a life experience you want, we will provide the means. Come connect with whatever or whomever you need.
