An advertisement for News Delivery. It features a dark blue banner at the top with the text "Contact - Free" in white. Below the banner, on the left, are icons of a laptop, a tablet, and a rolled-up newspaper. To the right of these icons, the words "News Delivery" are written in a large, bold, black serif font. Below this, the phrase "to keep you connected from home" is written in a smaller, bold, red sans-serif font. On the far right, a red serif font quote reads: "A digital subscription to the Pulaski County Journal is only \$40 per year!". At the bottom, a dark blue banner contains the text "Sign up online at www.pulaskijournal.com or call 574-946-6628!" in white.

Winamac native Justin Haley to compete full time in the NASCAR Cup Series with Kaulig Racing in 2022

On June 18, Kaulig Racing announced Winamac native Justin Haley will race full time in the NASCAR Cup Series for the 2022 season as part of a multi-year agreement, following the team's procurement of two charters for the upcoming season.

Haley, who has served as Kaulig Racing's longest-running full-time driver in the NASCAR Xfinity Series, will continue his full-time commitment as the team's first-ever, full-time NASCAR Cup Series driver. Haley, a past winner in the Coke Zero 400 at Daytona International Speedway in the NASCAR Cup Series, has driven the team's flagship No. 11 Chevrolet in the NASCAR Xfinity Series since 2019.

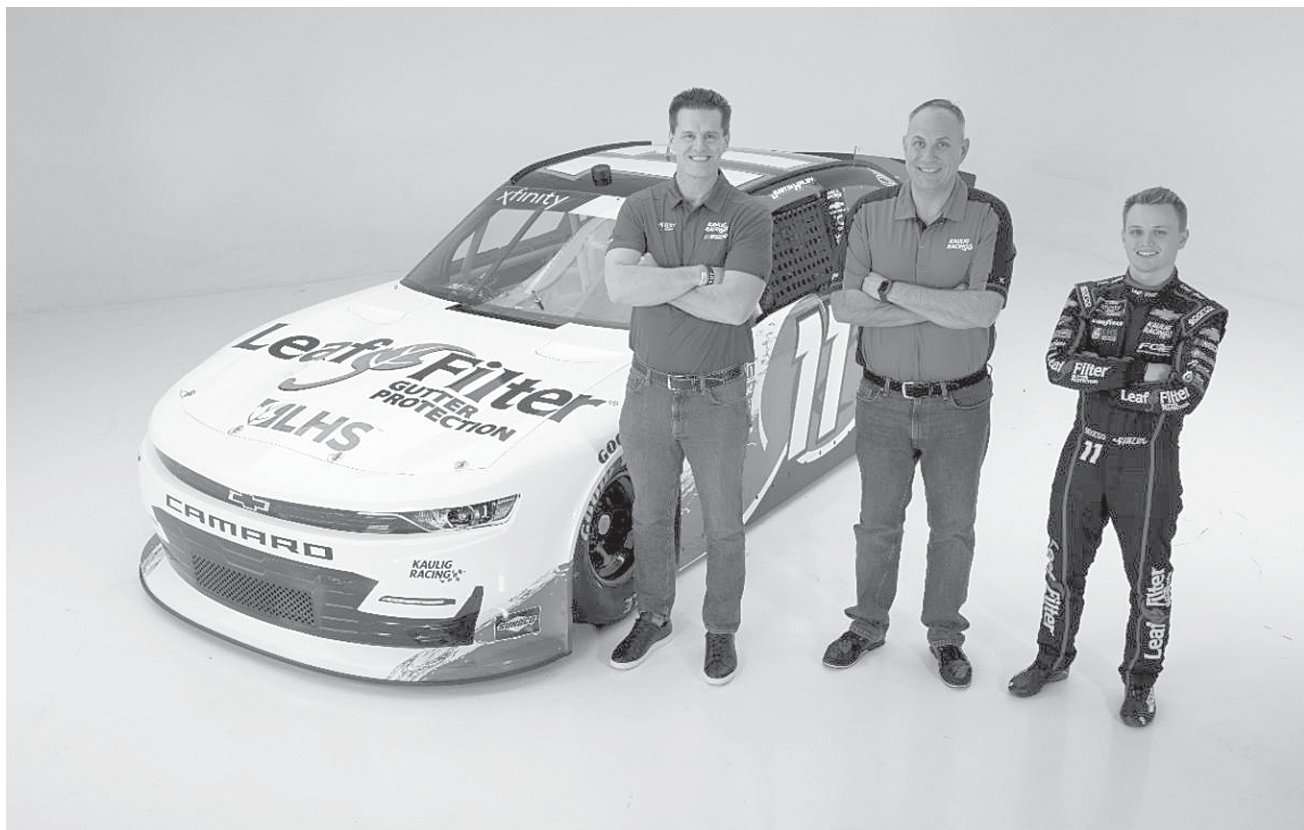

"I've been so fortunate the past three years to drive for an amazing team owner like Matt Kaulig," said Haley. "He has been a great mentor in my professional career, as well as my personal life away from racing. It's been my dream from the start to race full time in the NASCAR Cup Series, and to do so with everyone at Kaulig Racing just feels right."

"I'm extremely proud of how far Kaulig Racing has come in just a few short years," said Matt Kaulig, Kaulig Racing team owner. "We entered our first Daytona 500 in 2020 and have already made it known in just a handful of races that we are there to compete. It's been no secret that going full-time racing in the NASCAR Cup Series was our goal at Kaulig Racing, and that is exactly what we are doing by purchasing two charters for 2022 and having Justin Haley as our first, full-time driver!"

Matt Kaulig's affinity for NASCAR began in 2014 when he decided to put his company, LeafFilter Gutter Protection, on a NASCAR Cup Series car as the primary partner. Bit by the NASCAR bug, Kaulig formed his own team, Kaulig Racing, in 2016 and began full-time competition in the NASCAR Xfinity Series.

During his tenure at Kaulig Racing, Haley has earned three wins, 15 top five and 50 top-10 finishes for Kaulig Racing in the NASCAR Xfinity Series, including the team's first-ever NASCAR Cup Series start in the 2020 Daytona 500.

"This is an opportunity of a lifetime for me, and I couldn't be more thankful for the endless support from Matt Kaulig and Chris Rice," continued Haley. "This team has

Matt Kaulig, Chris Rice and Justin Haley with the Kaulig racing team's No. 11 Chevrolet Camaro.

done more for me than I could ever do for them. I'm so honored to stay in the Kaulig Racing family for years to come."

Following the team's first NASCAR Cup Series start in 2020, the team has since made four starts in the series for the 2021 season, and has already earned a top five and two top-10 finishes in the No. 16 Camaro ZL1 1LE.

"We are confident that this is the right time to take this next step for Kaulig Racing," said Chris Rice, president of Kaulig Racing. "I had the honor of being a part of

handpicking Justin Haley as the driver of our No. 11 car in the NASCAR Xfinity Series, and he has truly become an integral part of this Kaulig Racing team. We feel it's only right that he is a part of taking that next step with us, and we are looking forward to the next couple of years with him."

Justin Haley will make his next appearance in Kaulig Racing's No. 16 Camaro ZL1 1LE in February 2022 to kick-start both his and Kaulig Racing's first, full-time NASCAR Cup Series season. Additional partnership announcements will come at a later date.

A look back at Haley's racing start in Indiana

Justin Haley, 12, of Winamac, poses with his .25 midget race car and the checkered flag after winning the USAC Little Hoosier 100, Light AA "A" main feature race Aug. 6 at Newton Park in Lakeville. Justin also picked up a third place in the Senior Animal "A" Main.

Aug. 17, 2011 • Pulaski County Journal

Justin Haley, 13, of Winamac, placed third in the street stock class at Plymouth Speedway Friday night. In his rookie year, Haley has been the fastest qualifier for six consecutive weeks and set the track record with his 14.83 qualifying time Friday. The previous record was 14.86. Friday's race marks Haley's first podium finish in a full-size car.

July 25, 2012 • Pulaski County Journal

After setting yet another track record during qualifications, Justin "JJ" Haley proudly takes his place on the winner's podium for placing third in the "street stock" division at Plymouth Speedway.

OUTSTANDING AGENTS. OUTSTANDING RESULTS.

Welcome to this one-of-a-kind home located on 7.83 acres with stocked pond! 2320 North U.S. 35, Winamac

The home features a beautiful country oversized kitchen with lots of hickory cabinets, coffee bar and opens to the dining area and great room. The home's design, with its open concept, flows well with its spacious great room with cathedral ceilings, exposed beams, tongue-and-groove ceiling and floor-to-ceiling fireplace, giving you that great, warm, cozy lodge feeling or step out on the deck to enjoy sunsets and nature on the pond. Main floor offers four bedrooms, two with full baths and 2 additional full baths, walk-in closets and one with fireplace and two laundry rooms. Lots of extra room for entertaining in the partially finished daylight basement with 9 ft. ceilings, 1 bath, and two finished rooms for additional bedrooms if needed. The 1,200 sq. ft. three-car garage and additional 28'x30' building competes this unique offering. **MLS#20211202**

HERE’S WHAT YOU MISSED in this week’s PULASKI COUNTY JOURNAL

USDA announces dates for Conservation Reserve Program signups

The U.S. Department of Agriculture (USDA) has set a July 23, 2021, deadline for agricultural producers and landowners to apply for the Conservation Reserve Program (CRP) General Signup 56. Additionally, USDA’s Farm Service Agency (FSA) will accept applications for CRP Grasslands from July 12 to August 20. This year, USDA updated both signup options to provide greater incentives for producers and increase its conservation benefits, including reducing the impacts of climate change.

Both signups are competitive and will provide for annual rental payments for land devoted to conservation purposes.

“We are excited to roll out our new and improved CRP General and Grasslands signups,” Susan Houston, Acting FSA State Director. “Bottom line, CRP now makes more financial sense for producers while also providing a bigger return on investment in terms of natural resource benefits. The General and Grasslands signups are part of a broader suite of tools available through CRP to integrate key conservation practices on our nation’s working lands.”

General signup: Through CRP, producers and landowners establish long-term, resource-conserving plant species, such as approved grasses or trees, to control soil erosion, improve water quality, and enhance wildlife habitat on cropland. Lands enrolled in CRP also play a key role in mitigating impacts from climate change, and FSA has added a new Climate-Smart Practice Incentive for practices that sequester carbon and reduce greenhouse gas emissions.

FSA is also adding a one-time “inflationary”

adjustment for payment rates, as well as having more flexibility on adjusting soil rental rates.

FSA opened the General Signup in January 2021 and extended the original deadline to July 23, 2021, to enable producers to consider FSA’s new improvements to the program.

Grasslands signup: CRP Grasslands helps landowners and operators protect grassland, including rangeland, and pastureland and certain other lands, while maintaining the areas as grazing lands. Protecting grasslands contributes positively to the economy of many regions, provides biodiversity of plant and animal populations, and improves environmental quality.

FSA has updated the Grasslands Signup to establish a minimum rental rate of \$15 per acre, as well as new National Grassland Priority Zones.

How to sign up: To enroll in the CRP General signup, producers and landowners should contact their local USDA Service Center by the July 23 deadline. To enroll in the CRP Grasslands signup, they should contact USDA by the August 20 deadline. While USDA offices may have limited visitors because of the pandemic, service center staff continue to work with agricultural producers via phone, email, and other digital tools. To work with FSA, producers and landowners should contact their local USDA Service Center. Contact information can be found at farmers.gov/service-locator.

More information on CRP: Signed into law in 1985, CRP is one of the largest voluntary private-lands conservation programs in the United States. It was

originally intended to primarily control soil erosion and potentially stabilize commodity prices by taking marginal lands out of production. The program has evolved over the years, providing many conservation and economic benefits. The program marked its 35-year anniversary this past December.

Under the Biden-Harris Administration, USDA is engaged in a whole-of-government effort to combat the climate crisis and conserve and protect our nation’s lands, biodiversity, and natural resources, including our soil, air and water. Through conservation practices, USDA aims to enhance economic growth and create new streams of income for farmers, ranchers, producers and private foresters. Successfully meeting these challenges will require USDA and our agencies to pursue a coordinated approach alongside USDA stakeholders, including state, local, and tribal governments.

USDA touches the lives of all Americans each day in so many positive ways. In the Biden-Harris Administration, USDA is transforming America’s food system with a greater focus on more resilient local and regional food production, fairer markets for all producers, ensuring access to safe, healthy and nutritious food in all communities, building new markets and streams of income for farmers and producers using climate smart food and forestry practices, making historic investments in infrastructure and clean energy capabilities in rural America, and committing to equity across the department by removing systemic barriers and building a workforce more representative of America. To learn more, visit www.usda.gov.

Thank You

The family of Betty Maxwell sends a heartfelt thank you to friends and family for their prayers, cards, contributions, flowers, tress, kind words and hugs in celebration of her life.

The Frain family, especially Jon and Kasey, Kindred Hospice (Rochester) doctors, nurses and aides, Mr. Kocher, doctors and nurses from Pulaski Memorial, Pastor Michelle, Barbara, kitchen staff and members of First United Methodist Church and The Anatomical Society have been of immense help and we appreciate all your time spent to make these days more pleasant.

Pastor Cliff and Beverly Radtke
Michael and Marsha Lane
Martin and Robin Maxwell
Jerry and Ann Bonnell

.....I25J26

The family of Sarah Baker would like to thank the following people who helped make her memorial service memorable...

Pastor Nelda Seger and Pastor Nancy Brinklow.

The Presbyterian church for the delicious meal after the memorial service.

And another very delicious meal was provided by Winamac Delli after her burial service.

The neighbor who called the police after seeing a “suspicious character” at the library on the day of the service, and also the policeman who responded. The suspicious character turned out to be Sarah’s great nephew who wanted to walk where she had walked and take pictures of the plaque with her name on it.

Dan and Jon Frain and Greg Henry for all the attention to detail to make her day very special. Dan carried her ashes around the inside of the Library and gave her one last tour, even to the “forbidden areas” of the library.

The family of Sarah Baker
