Senecac, 18, Anna M. Senecac, 19, and Shawn C. Griffin Jr., 18, were arrested on the charge of failure to make report.

According to the court documents, six children, ranging in ages 15 years old to 1 year old, were found at the residence. Police found the wooden box in the living room with the top closed on it and the 3-year-old inside. In the police report, Pulaski County Sheriff's Cpl. Michelle

Jackson noted that the box was dirty and had bugs inside it. She also observed cockroaches crawling through the house.

As those in the house were interviewed, it appears that each of them knew the toddler was being held in the box at various times but some said they had not seen it happen. According to court documents, they gave police a number of different reasons for not contacting police including not wanting to get involved and allowing someone else to deal with the matter.

Donna Short, Patricia J. Meeks, and Christopher Short faced an initial hearing on Dec. 19. During the initial hearing a preliminary plea of not guilty was entered for each of the subjects and each of them were appointed a public defender. A bond of \$10,000 cash or 10 percent deposit was entered for each of the subjects.

Derrick Butala faced an initial hearing on Dec. 20 where a not guilty plea was entered. He advised the

courts that he plans to hire an attorney. A pretrial conference is scheduled for Feb. 23 for him. A bond of \$2,500 cash or 10 percent deposit was set for Butala. A court date is also set for Jan. 27 in regards to the bond. Butala was the last to bond out on Dec. 29.

An initial hearing has been set for Michael J. Meeks II, Thelma J. Meeks, Timothy A. Senecac, Anna M. Senecac and Shawn C. Griffin Jr. on Jan. 27.

The children were placed in the care of the Department of Child Services.

Dear Sam,

I thought we were in this together,  
but apparently I was wrong.

You've been ignoring me for a  
while. We don't go for walks as  
often as we used to. You barely eat  
anything green anymore. And you  
don't realize the daily pressure you  
put me under. It's just too much.

# I QUIT!

Sincerely,

Your Heart

Don't let your heart quit on you. If you are living with high blood  
pressure, just knowing and doing the minimum isn't enough.

Uncontrolled high blood pressure could lead to stroke, heart  
attack or death. Get yours to a healthy range before it's too late.
