Thank You

A life well lived is a legacy of joy, pride and pleasure – a living, lasting memory our grateful hearts will treasure – that is the lessons we carry forward in our hearts.

The family of Delores (Dee) Schultz would like to thank everyone who said a prayer, sent a card or a text and kept her and us in their thoughts during her illness and our time of loss. We especially would like to thank Parkview Haven Community Living staff for the wonderful, thoughtful care they gave our mother. To Pulaski Memorial Hospital doctors, nurses and staff for the excellent care while she was a patient. You all went the extra mile for all of us. Also to Frain Mortuary; Jon Frain, your kindness, thoughtfulness and love came through loud and clear. You made a very tough time, from our private family viewing to the private gravesite service, go smoothly, with deep consideration for our family. And to Rachel Morris, the Fulton/Pulaski Pastorate secretary, for finding a priest to deliver the service at the cemetery. With all the sickness and other duties it was a challenge and we appreciated your extra effort.

Mom is at peace and we are at peace knowing she has reached her final destination after a life well lived.

Thank you and God bless each and everyone,

Kent & Mary Schultz and family
Terry & Barb Schultz and family
Rick & Cheryl Schultz and family

Miscellaneous

As of 2018, over 60 million babies have been aborted since Roe/Doe. Nearly one million babies are aborted every year.

Every year, more children die from abortion than Americans died in the Revolutionary War, the Civil War, World Wars I and II, the Korean, Vietnam, Gulf and Iraq wars combined.

Watch this video to visualize how large that number is. As the numbers rise, entire states are removed, symbolizing the loss of their entire population to abortion.
