HERE'S WHAT YOU MISSED in this week's PULASKI COUNTY JOURNAL

Snow shoveling tips to protect your heart

With snow falling recently across large portions of Indiana, the American Heart Association encourages Hoosiers to protect their hearts while shoveling snow and to seek immediate treatment if they experience any signs or symptoms of a heart attack.

“Shoveling snow can be a very vigorous activity, and you’re basically doing it ‘in a freezer,’” says Dr. William Gill, a cardiologist who is immediate past-president of the American Heart Association board of directors in Indianapolis. “Those conditions can very quickly lead to stress on the heart.”

To help make snow removal safer, the American Heart Association suggests:

• Give yourself a break. Take frequent rest breaks during shoveling so you don’t overstress your heart. Pay attention to how your body feels during those breaks.

• Don’t eat a heavy meal prior or soon after shoveling. Eating a large meal can put an extra load on your heart.

• Use a small shovel or consider a snow thrower. The act of lifting heavy snow can raise blood pressure acutely during the lift. It is safer to lift smaller amounts more times, than to lug a few huge shovelfuls of snow. When possible, simply push the snow.

• Learn the heart attack warning signs and listen to your body, but remember this: Even if you’re not sure it’s a heart attack, have it checked out (tell a doctor about your symptoms). Minutes matter! Fast action can save lives — maybe your own. Don’t wait more than five minutes to call 9-1-1.

• Don’t drink alcoholic beverages before or immediately after shoveling. Alcohol may increase a person’s sensation of warmth and may cause them to underestimate the extra strain their body is under in the cold.

• Consult a doctor. If you have a medical condition, don’t exercise on a regular basis or are middle aged or older, meet with your doctor prior to the first anticipated snowfall.

• Be aware of the dangers of hypothermia. Heart failure causes most deaths in hypothermia. To prevent hypothermia, dress in layers of warm clothing, which traps air between layers forming a protective insulation. Wear a hat because much of your body’s heat can be lost

through your head.

It’s also critical for people to recognize the signs of a heart attack and to call 9-1-1 immediately if they experience any of those signs.

“I can’t stress enough the urgency of getting proper treatment for a heart attack,” Dr. Gill says. “Don’t die of doubt – whether that is doubting your symptoms could be a heart attack or whether you have doubts about going to the hospital during the COVID pandemic. Hospitals are safe and offer life-saving treatment.”

Heart Attack Warning Signs

Some heart attacks are sudden and intense — the “movie heart attack,” where no one doubts what’s happening.

But most heart attacks start slowly, with mild pain or discomfort. Often people affected aren’t sure what’s wrong and wait too long before getting help. Here are signs that can mean a heart attack is happening:

• Chest discomfort. Most heart attacks involve discomfort in the center of the chest that lasts more than a few minutes, or that goes away and comes back. It can feel like uncomfortable pressure, squeezing, fullness or pain.

• Discomfort in other areas of the upper body. Symptoms can include pain or discomfort in one or both arms, the back, neck, jaw or stomach.

• Shortness of breath with or without chest discomfort.

• Other signs may include breaking out in a cold sweat, nausea or lightheadedness.

As with men, women’s most common heart attack symptom is chest pain or discomfort. But women are somewhat more likely than men to experience some of the other common symptoms, particularly shortness of breath, nausea/vomiting, and back or jaw pain.

Calling 9-1-1 is almost always the fastest way to get lifesaving treatment. Emergency medical services (EMS) staff can begin treatment when they arrive — up to an hour sooner than if someone gets to the hospital by car. EMS staff is also trained to revive someone whose heart has stopped. Patients with chest pain who arrive by ambulance usually receive faster treatment at the hospital, too. It is best to call EMS for rapid transport to the emergency room. If you can’t access EMS, have someone drive you to the hospital right away.

PULASKI COUNTY LANDOWNERS DEMAND ANSWERS!

On January 10, 2022, the Pulaski County Commissioners and Council members approved ERA designations and tax abatements for Mammoth Solar and Moss Creek Solar, despite arguments by opposition that the supporting impact study was significantly flawed.

Commissioners Chuck Mellon, Maurice Loehmer, Mike McClure and Council President Ken Boswell signed the Mammoth Solar Economic Development Agreement (the "Agreement"), despite the Agreement being incomplete and missing several key exhibits.

Concerns regarding the Agreement:

The Agreement allows Mammoth Solar a 10-year, 100% tax abatement on Real property in addition to the 20-year, 100% tax abatement on personal property investment. The 10-year tax abatement on Real property was NOT disclosed during the public hearing.

The Agreement has a 5% escalation occurring every 3 years to adjust for inflation. However, the country experienced 7% inflation just last year!

Exhibit A - Economic Development Payment (the "EDP") schedule is blank. No payment schedule was attached. Why sign the Agreement without a payment schedule?

Exhibit B – Real Estate/Project Area is blank

Exhibit C – Statement of Benefits is blank

Exhibit D – Guaranty Agreement is incomplete and not signed. The Guaranty Agreement term is only for 5 years from the construction commencement date. What about the other 25 years?

The EDPs are guaranteed by Starke Solar LLC. They are agreeing to guarantee their own payments? Do they even have the financial means to guarantee these projects? Did any County official ask for a financial statement from Starke Solar LLC or ask who the LLC members are?

Mammoth Solar included in the Agreement their intention of possibly producing "Green Hydrogen" by using electricity produced by the solar panels instead of connecting and selling electricity to the grid. The BZA's special exception does not allow for the production of hydrogen. Why did our County Attorney and Economic Development Director not disclose this information?

If the solar project has a casualty event, the Agreement requires the County to grant a reduction to EDPs for the year of the casualty event. The solar developer may request an additional 1-year reduction. Why approve this? The County develops its budget each year depending on receiving the EDPs. The County cannot afford to reduce or eliminate EDPs because of Mammoth Solar's hardship.

The Agreement forces current and future Council members and Commissioners to publicly support Mammoth Solar's project. Is this even enforceable under Indiana law?

Under the Agreement, after 15 years Mammoth Solar may terminate its obligation to make any of the remaining 5 years EDPs by providing written notice to the County. This could eliminate over \$9.7 million of the \$34.6 million Mammoth Solar promises to pay. This was not disclosed during the Council's public hearings. Why wasn't it disclosed? Did anyone read this Agreement?

Please question the County Attorney, Economic Development Director, Commissioners, and Council members as to WHY they approved this Agreement.

Pulaski County Against Solar is committed to protect its agricultural ground and to preserve the beautiful rural landscape and quality of life for all residents and landowners of Pulaski County.

**Please visit PulaskiCountyAgainstSolar.org
to view the Agreement.**

Local Food Pantries

- Pulaski County Human Services Food Pantry hours are 9:30 a.m. to 3 p.m. on Monday, Tuesday, Thursday and Friday by curbside pickup. Call 574-946-6500 to schedule pickup or come to 115 W. Pearl St., Winamac, and ring the bell.
- Winamac Nazarene Church Neighbor to Neighbor Compassionate Ministries food pantry is open, 9 a.m. to 1 p.m. every Monday, at 514 E. 13th St., Winamac, west of the PMH ER entrance. Bring a box or laundry basket, wear a mask and wait in your vehicle. Call 574-946-7637.
- Star City United Methodist Church hosts the Bread of Life Food Pantry every third Saturday from 10:00 to 11:00 a.m. Only Pulaski County residents are eligible. Please provide your own boxes and baskets for the items.

Volunteer Opportunities

- The Winamac Volunteer Fire Department is looking for volunteers to serve on the fire department. Applications can be picked up at the Winamac Town Hall, Clerk-Treasurer’s Office, 120 W. Main St., Winamac.

Monthly Meetings

- REACT meetings are held the first Monday of the month at the Pulaski Memorial Hospital boardroom at 7 p.m.
- North Central Indiana Quail Forever meets the first Tuesday of each month at Poblanos in Winamac from 7-8 p.m.
- The Friends of Tippecanoe River State Park group meets the second Tuesday of every month at 6:30 p.m., at the state park.
- Monterey Town Council meetings will be held the second Tuesday of each month at 7 p.m., at 7033 N. Walnut St., Monterey.
- The Pulaski County Soil and Water Conservation District meets on the second Tuesday of each month at 8 p.m. in the break room of the USDA Service Center.
- The Pulaski County Drug Free Council meets the second Wednesday of each month at 4 p.m., at Bethel Bible Church, 6968 W. SR 14, Winamac. The public is encouraged to attend. For more information, visit www.facebook.com/pulaskidrugfree.
- The Pulaski County Library hosts a book club on the second Friday of each month at 2:30. To sign up, call the library at 574-946-3432.

What’s going on at the Pulaski County Public Library?

- With Valentine’s Day approaching, it’s the perfect time to go on a **Blind Date with a Book**. Come to the library and check out one of our wrapped books. You won’t know what title you got until you check it out! Take your book home; read it; rate it. Was your book a dream date or a total dud? Bring in your rating by **February 14th** for the chance to win gift certificates to the Isis movie theater!
- Come for an amazing outdoor event at the library—**Ice Sculpting!** Stephan Koch, founder of Indiana Ice Studio, will be creating multiple sculptures out of ice on the library’s front lawn on **Thursday, February 17th**. Sculptures will include an ice picture frame, which will be a great photo opportunity! While the sculpting is going on, we’ll have music, popcorn, and hot chocolate for you to enjoy. Stephan will start sculpting at 4:00, and the event will last until 8:00 p.m.
- Black History Month Book Discussion & Free Books: The library is giving away free copies of *Black Birds in the Sky: The Story and Legacy of the 1921 Tulsa Race Massacre* by Brandy Colbert. Visit the library website or give us a call to request your copy. Books will be available while supplies last, and e-books are also available on OverDrive & Libby. We will host a **virtual community book discussion** of *Black Birds in the Sky* on Zoom on **Thursday, February 24th** at 6:30 p.m. You aren’t required to attend the book discussion to request a book, but we’d love to have you in our conversation.
- February is Library Lovers Month. Throughout the month, buy a heart at the library’s main desk for \$1, \$5, or \$10. Your donation will go directly toward this year’s Summer Learning program. Write your name, initials, or a message on the heart, and we’ll display it to show your support for Summer Learning and your love for the library!
