Boys' basketball teams get set for the postseason

Paul Hettinger

Sunday evening in Indianapolis, 399 boys' high school basketball teams found their postseason fate in the 112th annual IHSAA State Tournament.

Sectional games are scheduled to begin Tuesday, March 1, running through Saturday, March 5, at 64 sites around the state. The regional round is slated for March 12 and semi-states for March 19. The four-state championship games that make up the state finals will be played Saturday, March 26, at Gainbridge Fieldhouse in Indianapolis.

The Class 2A Sectional No. 37 will be played at Winamac and we will see if a home court has any advantage for the Warriors, who are currently on a four-game losing streak with two games to play in the regular season. The Warriors (8-11) drew Delphi (3-17) in the second game Tuesday, March 1. The Oracles beat Winamac in overtime 55-53 at Delphi Jan. 22. The winning team from Tuesday will play Rensselaer Central (8-12) Friday. The last time Winamac won a sectional was in 2015 when they beat Delphi in the semifinals and then topped Rensselaer Central in an overtime thriller in the title game 54-50.

Winamac and Rensselaer Central meet up in the season's final game Friday, Feb. 25, in Winamac.

Rochester (9-11) and Lewis Cass (10-9) will get the sectional underway playing each other in the Tuesday night opener. It will be the first meeting of the season for the two teams. The winner will take on North Newton (9-10) in Friday's semifinal game.

The Class 1A Sectional No. 50 is a seven-team affair that will take place in Bourbon at Triton High School. Three schools enter postseason play with winning records and two teams enter the sectional ranked in the Top 15 in Class 1A.

The Trojans of West Central (3-16) will have their work cut out for them in the opener Tuesday, March 1, when they square off against No. 14 ranked Argos (13-5). The Trojans haven't been a part of a sectional championship since 2005 and the last time the Trojans made an appearance in the title game was in 2013, losing to Pioneer. It's been a long dry spell for West Central since then, losing eight straight first-round games.

La Crosse secured a first-round bye and will play the game one winner Friday, March 4.

Games two and three will take place Wednesday, March 2, when Trinity Greenlawn (14-6) takes on No. 10 ranked Triton (14-6). Oregon-Davis (3-16) will play Culver Community (6-13) in Wednesday's nightcap.

Class 2A Sectional No. 37 at Winamac

Game 1 – Rochester vs. Lewis Cass
 Game 2 – Delphi vs. Winamac
 Game 3 – North Newton vs. Winner of Game 1
 Game 4 – Rensselaer Central vs. Winner of Game 2

What is a HeartScan?

A HeartScan is a quick and easy CT scan that measures the amount of calcified plaque in your coronary arteries. This scan can detect plaque within the coronary arteries well before you notice any symptoms of heart disease, giving you the opportunity to take measures to reduce your chances of a heart attack, stroke or other forms of cardiovascular disease.

What to Expect:

- Allow 30 minutes for your appointment
- You will be fully clothed
- You will be asked to hold your breath a couple of times while images are being acquired
- No injections
- Your results will be reviewed with you by the CT technologist before you leave and a report will be provided for you to take home
- A copy of the results will be sent to your primary care physician

Risk Factors for Heart Disease:

- Family History of Heart Disease
- Obesity
- High Blood Pressure
- High Cholesterol Levels
- Smoking
- Diabetes

Who should have a HeartScan?

Consult with your physician to see if a HeartScan would be beneficial for you. Based on your medical history, your physician can determine if you are at risk for heart disease.
