From the campaign trail: *"I heard that you live in Jasper County only about half the time."*

I am an obstetrics nurse and work the night shift at Franciscan Health in Lafayette. I sleep between my 12 hour shifts at a place close to the hospital. My home is in Jasper County and has been for over 30 years. Did you know that the women in Jasper, Pulaski, and White counties have no obstetrics units at their county hospitals and must travel many miles to deliver their babies? If they have to travel that far, then so will I!
