HERE'S WHAT YOU MISSED IN THIS WEEK'S PULASKI COUNTY JOURNAL

Gutwein's bills helping veterans, streamlining licensing

State Rep. Douglas Gutwein's (R-Francesville) legislation notifying Hoosier veterans of important resources could soon be signed into law.

Under Gutwein's legislation, questions regarding the status of veterans and surviving spouses would be included on applications for driver's licenses and permits, and state identification cards. Gutwein said the Indiana Department of Veterans Affairs (IDVA) would then be able to access this information to connect with veterans and their families when promoting outreach programs.

"Our veterans have sacrificed a great deal to protect our country," Gutwein said. "When they come home, it is up to us to provide them with helpful programs and resources. By asking two simple questions on these applications, we can identify more veterans and offer additional support."

Under this legislation, the IDVA could request and verify the names of those who have indicated their veteran status to the Bureau of Motor Vehicles. Gutwein said this cross-information sharing would add a measurement for accountability that could be helpful in preventing fraudulent veteran claims.

House Enrolled Act 1268 passed the House and Senate, and is now eligible for action by the governor.

Gutwein also authored legislation streamlining Indiana licensing boards and safety commissions that could soon be law.

Gutwein said currently, some large boards under the

Indiana Professional Licensing Agency have difficulty with attendance and cannot obtain a quorum to conduct business. However, he said members present for the meetings still receive payment, even when no work is accomplished.

"Licensing boards ensure Hoosier professionals have the proper qualifications and remain in good standing," said Gutwein, chair of the Select Committee on Government Reduction. "However, some of these boards have grown too large to do their jobs effectively. Paring down some of these boards will help them do their jobs more efficiently while saving taxpayer dollars."

Gutwein's legislation would reduce all licensing boards representing fewer than 15,000 employees to five board members. He said this would make it easier for boards to reach a quorum and save money by reducing mileage and per diem payments. According to Gutwein, this change could save taxpayers tens of thousands of dollars annually.

Gutwein worked with Gov. Eric Holcomb on this legislation after leading a multi-year effort to streamline state government by eliminating red tape and duplicative reporting.

House Enrolled Act 1269 passed the House and Senate, and is now eligible for action by the governor.

For more information, visit iga.in.gov.

Gutwein (R-Francesville) represents House District 16, which includes all of Pulaski County and portions of Fulton, Jasper, Newton and Starke counties.

Thank You

From the family of
Rosezella (Rosie) Smith
Oct. 23, 1922–April 6, 2019

We wish to thank the First United Methodist Church of Winamac for opening up and preparing the church for our visitation and for preparing the meal for our family with loving servants' hands. We thank each and everyone.

We wish to express our thanks to our family, the DeSabatines, for bringing the desserts for the meal and anyone who brought food, flowers, or came to the visitation. To the pallbearers, we thank you. Our day was filled with love because of everyone who came for Mom's celebration of life. Thank you, Barbara Kleinofen, laity leader, for the wonderful message and well planned service, to Aaron Paulsen for setting up the music. God bless you all.

To Frain Mortuary, we thank you, Jon and Dan, for all the hard work, preparation and love you showed and provided to our family throughout this journey. "Hugs."
