COUNTY COUNCIL 2020

First off, I want to start by saying that I hope this finds you all well during these adverse times. I am Jim Gould, running for the County Council at-large seat in Pulaski County. As I review the candidate list, what jumps out to me is that most have experience running successful businesses and would be fantastic choices. However, there are two candidates that have been involved with Pulaski County politics for many years. This tells me that they are a large part of our financial problems. It's broken, let's fix it. Which leads me to my next point; we have elected officials requesting pay increases after having been made aware of the salary of their position. Any official that is elected into office knowing what their compensation will be, then later requesting higher pay will not be something that is granted by me. We have to correct unnecessary spending, plain and simple. The one thing I can promise is that I will be one of the most conservative candidates, if not the most conservative. It would be an honor to serve you and save your hard-earned tax dollars. Your vote would be greatly appreciated.

Thank you, James B. Gould, 574-270-0027
