Thank you so much

to everyone who has supported me throughout my reign as Miss Pulaski County 2018.

A special thank you to home ec. club Patchwork Pals for sponsoring me. Thank you also to Cortney Brandt and Ashley Bentlage for being the most supportive and caring pageant directors anyone could have. Thank you to Alyssa Burns for being such an inspiration and mentor to me. Thank you to my parents for everything you have done for me.

I have loved my year as queen and am excited to pass this amazing experience on to the next young lady who will be the 60th Miss Pulaski! Please donate to our local food pantry all the year through.

*Thank you, Pulaski County,

From the time we are born, dads play an important role in our lives straight through adulthood. In addition to providing a sense of love and security, research shows that having an involved and supportive father correlates with fewer behavioral problems and higher rates of academic achievement in children.

As we celebrate Father's Day on June 16, here's a look at some facts about fatherhood:

7 Hours a Week

The average amount of time fathers reported spending on child care in 2015, a number that has nearly tripled since 1965.

23%

The percentage of children in America who live with single mothers in homes without a father

72.2 Million

Estimated number of fathers in the United States

30.9 Years

The average age of an American father at the birth of his first biological child

1910

The first Father's Day celebration was proclaimed by the Mayor of Spokane, WA in honor of William Smart. Smart's daughter Sonora Dodd petitioned for a day to honor fathers like her own, an American Civil War veteran who, as a widower, raised six children.

1966

The year President Lyndon Johnson officially designated the third Sunday in June as Father's Day by presidential proclamation

1972

The year President Nixon signed a measure making Father's Day a permanent holiday

\$12.7 Billion

Father's Day spending in the United States, with the average person spending **\$115.57** on gifts

43.2%

The percentage of Americans purchasing clothing as a Father's Day gift

47.1%

The percentage of Americans purchasing a special outing or meal for Father's Day

72 Million

The number of Father's Day cards purchased each year

4%

The percentage of children living with single fathers in homes without a mother
