Wet weather slows Safe Routes progress

Wet weather has slowed the progress of the Safe Routes to School project, but the end result could be completed this week. Winamac Town Manager Brad Zellers said the paving of the project is completed, but the portions of the path intersecting with the streets needs to be made Americans With Disabilities Act compliant, so the concretes ramps will be finished this week.

American Red Cross urges blood donations throughout the summer

The American Red Cross urges eligible donors to give blood in the weeks surrounding Independence Day to help ensure a sufficient blood supply now and throughout the summer.

Many summer activities, such as vacations and travel, cause frequent blood donors to be less available to give during the summer. However, hospital patients still depend on volunteer donors to receive lifesaving transfusions – the need for blood does not get a vacation.

To encourage more people to donate around Independence Day, all those who come out to donate blood July 2-6, 2015, will receive a Red Cross embroidered hat, while supplies last. Eligible donors are encouraged to choose their day to make a difference.

Donors of all blood types – especially those with types O negative, A negative and B negative – are needed. To make an appointment to give blood, download the Red Cross Blood Donor App, visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767).

THANKS

Thank You to the many businesses and individuals in our community who made donations to help us accomplish our "vision" of presenting Quilts of Valor to our local veterans. So far, over the past three years, we have presented 107 veterans in our community, who have been wounded or touched by war, with a comforting quilt thanking them for their service to our country. Many willing hands helped plan, cut, press, sew and bind these quilts with love, prayers and healing thoughts in every stitch. If you are interested in sponsoring a quilt, making a donation or would like to help make a Quilt of Valor, please contact Michelle Schmicker at 574-595-0629.

HERE'S WHAT YOU MISSED IN THIS WEEK'S PULASKI COUNTY JOURNAL

West Central honored to welcome Rachel's Challenge

Rachel's Challenge is a nonprofit, nonpolitical, nonreligious organization based in Littleton, Colorado. This is a powerful program

honoring Rachel Joy Scott, who was the first student killed during the horrible tragedy at Columbine High School in 1999.

Rachel's Challenge is a series of student empowering programs and strategies that equip students and adults to combat bullying and any feelings of isolation and despair by creating a culture of kindness and compassion. The programs are based on the writings and life of 17 year-old. Rachel left a legacy of reaching out to those who were different, who were picked on by others, or who were new at her school. Shortly before her death she wrote,

Rachel's Challenge was started by Rachel's dad and stepmom, Darrell and Sandy Scott when they realized that the writings and drawings Rachel left not only had an impact on her friends and classmates, but also resonated with students around the world. Although Rachel was a typical teenager who even wrote about her "ups and downs," she had a passion and conviction that she would someday change the world. The Scott family knew her story and passion had to be told.

More than 18 million people have been touched by Rachel's message, and they continue the legacy of making a difference in their communities.

The program is conveyed through stories from Rachel's life and writings. Rachel's Challenge shows the profound positive impact we can have on those around us. Rachel's Challenge demonstrates to the listener the power of deliberately reaching out in word and action to others to start what Rachel called "a chain reaction of kindness and compassion."

The public is invited to attend the evening event which is recommended for adults or students who are 12 years and older.

Admission is free.
