2018-2019 AFTER-SCHOOL CHILD CARE

We are pleased to continue offering an after-school childcare program from 3:15 to 5:15 each day at Eastern Pulaski Elementary for Grades K-6. This is not just a “babysitting” service in the traditional sense. We have a time for quiet games (or homework), active group games, snacks, and creative activities. Loving care will be provided for your child.

The fee is on a sliding scale with the top at \$4 per night for full-time enrollment. This includes a snack and craft supplies. Child care will begin soon after school begins. We encourage you to take advantage of this important service.

(All services are provided without regard to economic status, sex, race, color, religion, national origin, ancestry, or handicapping condition.)

SPORTS TICKET INFORMATION

ALL SPORTS PASS (admission to all athletic events, both girls and boys during the entire year, including home scrimmages/jamborees, excluding tournaments Note: Not good for away jamborees or all tourneys)

STUDENT \$50; ADULT \$75; FAMILY \$210 (immediate family)

TICKETS AT THE GATE FOR THE FOLLOWING SPORTS WILL BE: Varsity Events - Adults/Students \$5.00 per event; Jr. Varsity Events - Adults/Students \$4.00 per event; JV & Varsity Events - Adults/Students \$5.00 per event; Middle School Events - Adults/Students \$4.00 per event.

Athlete Eligibility: Every student/athlete is required by Eastern Pulaski Schools and the IHSAA to have a physical examination completed and on file with the athletic office before practicing in any sport. Examinations are the responsibility of the athlete and must be dated after May 1, 2018. The IHSAA has a new physical form for this year and the old forms are no longer acceptable. Concussion/Cardiac Arrest form must also be completed as well as the Drug Consent Form (high school) and Consent to Treat form (for new athletic trainer services). All of these forms can be obtained on the school website at: www.epulaski.k12.in.us, in the high school office or in the athletic director's office.

Medical Exemption/Religious Objection

A medical exemption is a physician's certification that a particular immunization is detrimental to the child's health. It must state in writing that the child has a medical contraindication to receiving a vaccine and must be resubmitted to the school each year. A true medical contraindication to immunization are vaccine-specific, medical exemptions must be written for each vaccine that is contraindicated. A religious objection must state that the objection to immunization is based on religious grounds. Each objected immunization must be specified. The objection must be in writing, signed by the child's parent, and delivered to the school. There is no requirement of proof. The written religious objection must be resubmitted to the school each year.

STUDENT RECORDS, FAMILY RIGHTS, AND PRIVACY ACT

The Eastern Pulaski School Board has adopted a policy to be in compliance with The Family Rights and Privacy Act of 1974. The full text of the policy is available to the public at the Superintendent's Office and all 3 schools in the policy manual. In summary, it states: 1. Student records include attendance records, achievement results, academic grades, general data such as name, address, and telephone, etc. 2. Custodial parents or children over 18 may have access at any time to these records. 3. Permission to release records is always needed except in cases of requests from other school corporations, federal agencies and their local representatives, the Indiana Department of Education, and judicial subpoena. 4. Corrections of said records may occur at any time. In the absence of a formal written request to not release student directory information, implied consent will be assumed. 5. Unless otherwise directed, student photos will be shared with media outlets.

STUDENT RANDOM DRUG TESTING

Eastern Pulaski Community School Corporation (Winamac Community High School) has been involved in Student Random Drug Testing, as allowed under Indiana Law, for the past 18 years. We believe this program is a deterrent to student drug usage and demonstrates our commitment to providing a safe, drug-free school environment.

High School students who drive to school and/or are involved in any extra curricular activity are required to be in the “test pool” and are subject to a random drug test. A third category of students is also eligible to be placed in the test pool. Those students who are not involved in extra curricular activities, or do not drive to school, but whose PARENT(S)/GUARDIAN(S) REQUEST THEY BE PUT IN THE POOL, can be added. We feel it would be ideal for all of our students, those required and those not required, to be in the test pool.

If your child is not in extra curricular activities or does not drive to school, but you would like to have him or her in the test pool, or if you would like more information, please call the administration building at (574) 946-4010. Thank you for your support and cooperation.

NOTICE TO STUDENTS AND PARENTS- CELLPHONE CONTENT AND DISPLAY

The Child Abuse/Neglect Law requires school personnel to report to law enforcement or child protective services whenever there is reason to believe that any person/student is involved with “child exploitation” or “child pornography” as defined by Indiana Criminal Statutes. It is “child exploitation,” a Class C felony under I.C. 35-42-4-4(b), for any person/student (1) to exhibit, photograph or create a digitalized image of any incident that includes “sexual conduct” by a child under the age of 18; or (2) to disseminate, exhibit to another person, or offer to so disseminate or exhibit, matter that depicts or describes “sexual conduct” by a child under the age of 18. It is “child pornography,” a Class D felony under I.C. 35-42-4-4(c), for any person/student to possess a photograph, motion picture, digitalized image, or any pictorial representation that depicts or describes “sexual conduct” by a child who the person knows is less than 16 years of age or who appears less than age 16.

“Sexual Conduct” is defined by I.C. 35-42-4-4(a) to include sexual intercourse, exhibition of the uncovered genitals intended to satisfy or arouse the sexual desires of any person, or any fondling or touching of a child by another person or of another person by a child intended to arouse or satisfy the sexual desires of the child or other person.

The Indiana Sex Offender Registration Statute at I.C. 11-8-8-7 and the Sex Offender Registry Offense Statue at I.C. 35-42-4-11, as of May 2009, requires persons convicted of or adjudicated as a juvenile delinquent for violating the Child Exploitation Statute at I.C. 35-42-4-4 (b) to register as a sex offender.

Because student cellphones have been found in a number of Indiana school districts to have contained evidence of “sexual conduct” as defined above, it is important for parents and students to be aware of the legal consequences should this occur in our school system. - ISBA Legal Services

2018-19 Required and Recommended School Immunizations

	REQUIRED	RECOMMENDED
3-5 years old	• 3 Hepatitis B • 4 DTaP (Diphtheria, Tetanus & Pertussis) • 3 Polio • 1 Varicella (Chickenpox) • 1 MMR (Measles Mumps & Rubella)	• Annual Influenza
K-4th grade	• 3 Hepatitis B • 5 DTaP • 4 Polio • 2 MMR • 2 Varicella • 2 Hepatitis A	• Annual Influenza
5th grade	• 3 Hepatitis B • 5 DTaP • 4 Polio • 2 MMR	• Annual Influenza • 2 Hepatitis A
6th grade	• 3 Hepatitis B • 5 DTaP • 4 Polio • 2 MMR	• Annual Influenza • 2 HPV (Human Papillomavirus)
7th-11th grade	• 3 Hepatitis B • 5 DTaP • 4 Polio • 2 MMR	• Annual Influenza • 2 Hepatitis A • 2/3 HPV
12th grade	• 3 Hepatitis B • 5 DTaP • 4 Polio • 2 MMR	• Annual Influenza • 2 MenB (Meningococcal) • 2/3 HPV

Hep A: The minimum interval between 1st and 2nd dose is 6 calendar months. 2 doses of Hep A is required for grades K-4, 6 and 12. For grades 5, and 7-11, 2 doses of Hep A vaccine are recommended.

For children who have delayed immunizations, please refer to the 2018 CDC “Catch-up Immunization Schedule” to determine adequately immunizing doses. All minimum intervals and ages for each vaccination as specified per 2018 CDC guidelines must be met for a dose to be valid. A copy of these guidelines can be found at <http://www.cdc.gov/vaccines/schedules/hcp/imz/catchup.html>.

PARENTS' RIGHT-TO-KNOW

In accordance with the Elementary and Secondary Education Act, Section 1111 (h) (6) PARENTS' RIGHT TO KNOW, this is a notification from Eastern Pulaski Schools to every parent of a student in a Title I school that you have a right to request and receive information in a timely manner regarding the professional qualifications of your student's classroom teachers. This information shall include the following:

- If the teacher has met state qualifications and licensing criteria for the grade level and subject areas taught;
 - If the teacher is teaching under emergency or temporary status in which Indiana qualifications and licensing criteria are waived;
 - The teacher's baccalaureate degree major, graduate certification, and field of discipline; and
 - Whether the student is provided services by paraprofessionals, and if so, their qualifications.
- If at any time your student has been taught 4 or more consecutive weeks by a teacher that is not highly qualified you will be notified by the school. If you have questions or concerns, please contact your school principal.

MISCELLANEOUS INFORMATION

- **ASBESTOS** - Asbestos has been identified in Eastern Pulaski Schools. An Operational/Management Plan is in the Administration Building for review. A new plan was created during the summer of 2015. Six-month surveillance takes place in December and June. Additionally, a program is currently underway for determination and abatement. Through the renovations much abatement has now been completed.
- **UNEMANCIPATED STUDENTS** - Parents/guardians must give written consent for an unemancipated student before the student can take part in an analysis, evaluation, or survey concerning certain beliefs, affiliations, attitudes, behaviors, and habits (IC 20-10.1-4-15).
- **SMOKE/TOBACCO FREE** - The Eastern Pulaski School Board has designated all buildings and the entire campus as Smoke/Tobacco Free! There is NO SMOKING or use of any tobacco products permitted at any time.
- **AMERICANS WITH DISABILITIES** - Eastern Pulaski Community School Corporation has contracted with a firm to take the necessary steps for compliance with the Federal American with Disabilities Act.
- **DRUG-FREE WORKPLACE & LEARNING ENVIRONMENT** - Eastern Pulaski Schools is committed to providing a drug-free workplace & learning environment. Violators are subject to dismissal, completion of a rehab program, and prosecution. Further, sexual harassing-type allegations will be investigated and dealt with according to school policy.
- **PEST CONTROL** - It is the policy of Eastern Pulaski Schools that only hired, professionally trained providers will be used to satisfy pest control needs. Any pest control measures administered by Eastern Pulaski employees will be “off the shelf” material and applied only after proper training has been conducted. For more information regarding pest control and registry information, please contact the Superintendent of Schools, at (574) 946-4010.

WEATHER CONDITIONS-DELAYS & POSTPONEMENTS

Indiana weather can be defined in one word - unpredictable. That characteristic is also very true within Pulaski County. If weather conditions (fog, snow, ice, etc.) are such that you have any reason to believe school may be delayed, please listen to any one of the radio stations below: WKVI (99.3 FM Knox); WSAL (1230 AM Logansport); HOOSIER 103 (103.7 FM Logansport); WFRN (93.7 FM Winamac); WROI (92.1 FM Rochester). Additionally, we will utilize SchoolMessenger (automated calling system) and post to our Facebook and Twitter social media feeds and the school website.

FEDERAL LAW-DISCRIMINATION

It will be the policy of Eastern Pulaski Schools, through the Office of the Superintendent, to provide for constant review of rules, regulations, policies, and procedures pertaining to discrimination as they apply to Equal Employment Opportunity, Civil Rights, Sexual Harassment, Title IX Regulations, Federal Law 504, and any future regulations of the Federal Government all of which deal in some respect to equality of the individual in relation to race, creed, color, sex, religion, or national origin and handicapping conditions. Any aggrieved individual will have a right to due process in the following manner: 1. Contact the school principal for a verbal discussion of the problem. 2. If satisfaction is not attained, the principal will assist the grievant in preparing a written report form to be submitted to the Superintendent of Schools. The report must be filed within five (5) working days following the verbal discussion. The report shall include the following: (a) Name of grievant; (b) Date alleged grievance occurred; (c) Statement of the facts giving rise to the grievance; (d) Indicate the specific relief requested. 3. Within five (5) working days following the receipt of the grievance, the superintendent will meet with the grievant and the principal to review the facts as presented. 4. Within five (5) days, the superintendent will give a written response to the grievant. If the response is unacceptable, the grievant may, within five (5) days following the receipt of the response, request a hearing by the School Board. 5. If a hearing is requested, the superintendent will, within ten (10) working days, notify the grievant of the date and time for a hearing before the School Board. 6. If the grievant fails to receive satisfaction from the hearing before the School Board, he/she may resort to the court system.

Wind Energy

New Revenue,
New Jobs,
New Hope
for Pulaski County

Wind creates jobs. Wind has the potential to support more than 600,000 American jobs in manufacturing, installation, maintenance, and supporting services by 2050. Locally, this means jobs during construction and into operation and maintenance phases.

It's a clean fuel source.

Wind energy doesn't pollute the air like power plants that rely on combustion of fossil fuels, such as coal or natural gas, which emit harmful substances that cause health problems and economic damages. Wind turbines don't produce atmospheric emissions that cause acid rain, smog, or greenhouse gases.

Wind is a domestic source of energy.

The nation's wind supply is abundant and inexhaustible. Over the past 10 years, cumulative wind power capacity in the United States increased an average of 30% per year, and wind now has the largest renewable generation capacity of all renewables in the United States.

It's sustainable. Wind is actually a form of solar energy. Winds are caused by the heating of the atmosphere by the sun, the rotation of the Earth and the Earth's surface irregularities. For as long as the sun shines and the wind blows, the energy produced can be harnessed to send power across the grid.

Wind helps farmers. Farmers can continue to work the land because wind turbines use only a fraction of the land on existing farms. Wind power plant owners make rent payments to the farmer for the use of the land, providing landowners with additional income. As commodity prices threaten to reach decade lows, causing farmers to struggle, wind has saved family farms across a wide swath of the heartland.

Wind boosts local economies. Wind projects provide much-needed infusion of local tax revenue in rural communities for building new schools, roads, bridges, and other community infrastructure. During construction, local businesses such as gas stations, restaurants, hotels, contractors and suppliers will receive increased traffic and revenue.

COOPERTIRES

THANK YOU

Pulaski County 4-H Buyer's Group

I would like to thank the following businesses who donated to the Pulaski County 4-H Buyer's Group. With your generous support we were able to purchase and process animals from our local 4-H'ers. All of the processed meat will be donated to the food pantries in Pulaski County to assist families in need that belong to our community.
