Meet Mama (mostly white) and Marley.

These beautiful coonhounds were owner-surrendered due to the owner's job keeping him away for extended periods of time. They have been well-cared for, love people, and love to run and play. They are strong! Beautiful animals - we are hoping to adopt them as a pair.

Tip of the Month

Cervical Health Awareness

Cervical cancer screening is used to find changes in the cells of the cervix that could lead to cancer. Screening includes the Pap test and, for some women, testing for human papillomavirus (HPV). You should start having Pap tests every 3 years beginning at age 21 years. At age 30 years until age 65 years, you should have co-testing – a Pap test and a test for HPV – every 5 years (preferred) or a Pap test alone every 3 years. You can stop having cervical cancer screening after age 65 years depending on your health history and results of previous cervical cancer screening tests. (acog.org)

HERE'S WHAT YOU MISSED IN THIS WEEK'S PULASKI COUNTY JOURNAL

Lilly Endowment Community Scholarship available to 2018 grads

The Community Foundation of Pulaski County is happy to announce that the Lilly Endowment Community Scholarship program will be made available for 2018 graduates. Students can apply online starting Aug. 18 through the community foundation website at www.cfopc.org. Deadline for application submission is Friday, Sept. 15, at 3 p.m.

The Community Scholarship Program is fully funded by the Lilly Endowment Inc. and is administered locally by the Community Foundation of Pulaski County. One scholarship will be awarded for Pulaski County.

Recipients of the scholarship will receive full tuition and required fees as well as up to \$900 per year for required books and equipment for four years of undergraduate study at an accredited Indiana public or private college or university.

To meet eligibility requirements, applicants must:

- be a resident of Pulaski County;
- be a high school senior graduating by the end of June 2018 with a diploma from a regionally accredited Indiana high

school; and

- intend to pursue full-time baccalaureate study at an accredited public or private college or university in Indiana.

Siblings of current and previous Lilly Endowment Community Scholarship recipients are eligible to apply.

An overriding goal of the Community Scholarship Program is to meet the scholarship needs of Indiana students as articulated within local communities. Each participating community foundation develops scholarship nomination criteria and procedures and a scholarship application.

Scholarship criteria include academics, community service, leadership, character and values. Financial need is not a basis for Pulaski County applicants.

Nomination and scoring criteria and procedures are reviewed and approved by the Independent Colleges of Indiana (ICI) for consistency with applicable law and the overall goals of the Lilly Endowment Community Scholarship program, including recusal requirements as set

forth by Lilly Endowment.

One nominee and two alternates will be selected by local committee members and their applications forwarded to ICI for final selection and approval. ICI will notify local foundation officials of their choices for the scholarships in mid-December.

Lilly Endowment Inc. formed the program in 1998 with hopes that it would encourage many of Indiana's most talented students to attend Indiana's higher education institutions and pursue occupations in Indiana. More than 4,500 Indiana high school graduates have received assistance to date.

Last December, Jack DeGroot was named the 2017 Community Foundation of Pulaski County Lilly Endowment Community Scholarship recipient. Thirty-six students from Pulaski County have received this scholarship since 1998.
