TO: Shareholders of the Co-Operative Elevator Company of Francesville

You are receiving this notice because your name appears on the list of **stockholders who hold Equity Credits with Co-Operative Elevator Company of Francesville.** The Co-Op ceased doing business on September 1, 2012 when it sold most of its assets to Tate & Lyle, Grain, Inc. They purchased the grain elevator business and Monticello Farm Service, Inc., purchased the fertilizer business.

The Board has been in the process of liquidating all of the balance of assets and clearing up debt. That process is now complete and **we are preparing to begin distribution to the shareholders.**

We are asking each shareholder to contact us (by mail only), at P.O. Box 338, Francesville, Indiana 47946, as we no longer have a phone number. **Please send photocopies of your stock certificates.** These shares of stock were converted by the Board to Equity Credits many years ago. If the shares were owned by a party who has since passed away, please provide a copy of the Certificate of Death, and who the Executor, Trustee or heirs are. If the shares were held by a family corporation, partnership or LLC, please include a statement as to whether that business is still operating or has been dissolved, and who the stockholders and members are.

Our deadline to hear from you is September 16, 2016.

Sincerely,

Election board sets hours for general election early voting

Amber L. Tomlinson

Early voting hours will be more consistent for the fall election.

During an election board meeting on Aug. 3, the board discussed setting the early voting hours that will begin on Wednesday, Oct. 12, and continue until Monday, Nov. 7 at noon.

Election board vice president Laura Bailey said the board experimented with the hours during the primary and it was reported that some of the hours didn't involve any voting traffic. She believes the hours should be consistent every day, except for the two Saturdays, Oct. 29 and Nov. 5, before the election in Winamac and Francesville.

The early voting is held at the Pulaski County Public Library with a satellite site planned at the Francesville-Salem Township Public Library on Oct. 29 and Nov. 5.

"I know we had people waiting for them because they showed up when the library opened but we can't duplicate the library hours. That's not realistic and it's not fair to the library either. They have start up things that they need to do without people under foot," Bailey said.

Pulaski County Clerk Christi Hoffa said she believes that 10 a.m. to 6 p.m. is feasible. She believes the reason for people showing up early to vote was because those may have been the days when the early voting started later, from 11 a.m. to 7 p.m.

"I think it will be better because of the consistency," she said.

The early voting poll workers will take a lunch break from 1-1:30 p.m.

"I think that we are catching a lot more people as they get off work," Bailey said.

As for the two Saturdays before the election, the hours will be 10 a.m. to 3:30 p.m. The Monday hours before the election, Nov. 7, will be 10 a.m. to noon.

Hoffa and Bailey also discussed how many poll workers

and machines would be at each vote center. It was decided that an additional poll pad, clerk, inspector and voting machine will be at the Winamac voting center, and one more voting machine will be added at the Medaryville voting center.

Election board president Jon Frain was unable to attend the meeting.

In other business:

- Bailey gave an update on the commissioner meeting she and Hoffa attended on Aug. 1. Bailey said the commissioners voted unanimously in support of a satellite early voting site in Francesville the two Saturdays before the election. "We are ready once we have a full board present to act on our own resolution for that too. They were very complimentary and they understood the need for it. They were pleased that we are reaching out and trying to draw in all the county," Bailey said of the commissioners. The election board will now need to sign a resolution to add the new satellite location but it must be done with an unanimous vote with all board members present.
- Hoffa said the order for the poll pads is complete and that equipment has been delivered. The poll pads are similar to the ones that were used in the spring. Bailey said she will order the screen covers for those polls after the election board meeting.
- Two complaints from the same person regarding the financial report of a candidate and a committee ad that did not show up on a financial report of candidates were discussed by the board. Bailey said the board has addressed those issues per state procedure and responded back to the complainant. Hoffa said in the one complaint all that was needed was a clarification on what the candidate's expenditures were for. There was also a question about a certain expenditure. The candidate provided a letter stating that a bill was not received until after the report deadline. Hoffa said the committee ad

did not run until after the financial report deadline, so it wouldn't show up on the candidates' reports.

- The board will set up the early voting at the library on Tuesday, Oct. 11. The travel board and early voting training will be held that day at the site.
- Training will be held on Nov. 4 for the poll workers. Anyone who is interested in being a poll worker can contact Hoffa at the clerk's office at 574-946-3313 by Sept. 1.
- The board also set to complete an inventory on Oct. 10.
- Minutes from the July 14 meeting were approved.
