October is BREAST CANCER AWARENESS MONTH

Woodlawn Health supports Breast Cancer Awareness Month and reminds you that prevention starts with healthy habits.

Women over 40 should complete a mammogram screening annually. If you have family history of breast cancer, ask your care provider when to start screenings.

cancer have no known risk factors.

breast cancer are diagnosed
in their forties.

100%
But if the cancer is detected before
it has spread, the chance for a cure
is nearly 100%.
