spellbinding Halloween History & Fun Facts

Get the "bone-a-fide" scoop on the year's most frightfully delightful holiday!

Samhain

This ancient Celtic harvest festival honoring the dead is widely believed to be the event from which Halloween originated. The Celts started their new year on November 1. The evening before the new year was known as Samhain, marking the end of the harvest season and beginning of winter. It was believed the spirits of the dead returned to earth on this night, and offerings were made to appease these spirits and solicit their protection through the long and difficult winter months.

Guising

This European practice, also known as mummung, is believed to have evolved into today's trick-or-treating tradition. People costumed to represent the souls of the dead would go door to door reciting poems or songs in exchange for offerings on behalf of the spirits.

Jack-o'-lanterns

The name for this custom comes from an Irish folktale about Stingy Jack, an evil spirit who was forced to roam the earth for eternity with just a piece of burning coal to light his way. He carried the coal in a carved-out turnip. To ward off Stingy Jack and other evil spirits, people made their own versions of his lantern using turnips or potatoes - and eventually pumpkins - carved with frightening faces, placing them near windows or doors.
