HERE’S WHAT YOU MISSED IN THIS WEEK’S PULASKI COUNTY JOURNAL

Veterans Day

In 1921, an unknown World War I American soldier was buried in Arlington National Cemetery. This site, on a hillside overlooking the Potomac River and the city of Washington, D.C., became the focal point of reverence for America’s veterans.

Armistice Day officially received its name in America in 1926 through a Congressional resolution. It became a national holiday 12 years later by similar Congressional action. If the idealistic hope had been realized that World War I was “the war to end all wars,” Nov. 11 might still be called Armistice Day. But only a few years after the holiday was proclaimed, war broke out in Europe. Sixteen and one-half million Americans took part. Four hundred seven thousand of them died in service, more than 292,000 in battle.

On Memorial Day 1958, two more unidentified American war dead were brought from overseas and interred in the plaza beside the unknown soldier of World War I. One was killed in World War II, the other in the Korean War. In 1984, an unknown serviceman from the Vietnam War was placed alongside the others. The remains from Vietnam were exhumed May 14, 1998, identified as Air Force 1st Lt. Michael Joseph Blassie, and removed for burial. To honor these men, symbolic of all Americans who gave their lives in all wars, an Army honor guard, the 3rd U.S. Infantry (The Old Guard), keeps day and night vigil. A law passed in 1968 changed the national commemoration of Veterans Day to the fourth Monday in October. It soon became apparent, however, that Nov. 11 was a date of historic significance to many Americans. Therefore, in 1978 Congress returned the observance to its traditional date.

Additional information on the history of Veterans Day, the Veterans Day National Committee, the national ceremony, a gallery of Veterans Day posters from 1978 to the present and a colorful and informative Veterans Day Teacher’s Resource Guide can be found at <http://www.va.gov/vetsday/>.

Collection site announced for Operation Christmas Child

This month, Bethel Bible Church in Winamac will serve as a drop-off location for the Samaritan’s Purse project Operation Christmas Child, joining nearly 5,000 U.S. locations collecting gift-filled shoeboxes for children in need around the world.

During the project’s National Collection Week, Nov. 13 – 20, Winamac residents will transform empty shoeboxes into gifts of hope filled with fun toys, school supplies and hygiene items. After being dropped off, Operation Christmas Child will deliver these shoebox gifts to children living in poverty overseas.

This year, Winamac-area residents hope to contribute more than 1,400

shoebox gifts toward the 2017 global goal of reaching 12 million children.

“We have an opportunity in Winamac to give these simple shoebox gifts that will make a lasting impact on children across the world,” said Winamac volunteer Randy Mitchell, who has participated in Operation Christmas Child for several years. “For many of these children, this shoebox is the first gift they have ever received. It sends a message that God loves them, and they are not forgotten.”

For more information on how to participate in Operation Christmas Child or to view gift suggestions, call 937-374-0761 or visit samaritanspurse.org/occ.

Give thanks for good health by donating blood

The American Red Cross encourages people to share their good health this holiday season by donating blood for patients in need.

Mike Healey’s son was born prematurely, weighing 3 pounds, and immediately needed blood. “I gave blood the next day and have done it 56 times since then,” he said. Though Healey’s son spent his first 49 days of life in the neonatal intensive care unit, he has thrived and is now a healthy, 10-year-old little league baseball player. “I will never forget whoever

A decline in donations occurs from Thanksgiving to New Year’s Day when donors are busy with holiday activities and travel. However, patients don’t get a holiday break from needing lifesaving transfusions. In fact, every two seconds, someone in the U.S. needs blood.

By giving blood or platelets, donors may give patients more time — and more holidays — with loved ones. Make an appointment to give blood by downloading the free Red Cross Blood Donor App, visiting redcrossblood.org or calling 1-800-RED CROSS (1-800-733-2767).
