**Thank You**

On behalf of the Patricia Powers family, we would like to thank Dan, Jon and Jacki Frain for a lovely ceremony in honor of our mother, Patty Powers', passing. Also, to the ladies of the Catholic church who prepared a delicious meal, we would like to express our thanks. Many people sent cards and flowers and sincere kindness in our time of grieving. It is much appreciated.

Pulaski Health Foundation celebrates 60 years of service

Pulaski Health Foundation is a nonprofit community organization founded in 1959, in Winamac. The foundation's purpose is to provide health and wellness to the whole community. It is comprised of an all-volunteer board of directors and operated through donations and support from individuals, groups and organizations within our community.

Pulaski Health Foundation was the vehicle that raised funds for the building of Pulaski Memorial Hospital in 1961 and Pulaski Health Care Center nursing home in 1987. With the continued commitment to researching and meeting the evolving needs of residents in Pulaski County and surrounding communities, in 2001 the foundation built Riverwood Commons apartment building for the low-middle income population age 55-years and older and the disabled. In 2013, Pulaski Health Foundation purchased Parkview Haven, a facility offering nursing care, assisted living apartments and individual condominiums in Francesville. The foundation is currently working on an assisted living project to be located in Winamac. The growth of Pulaski Health Foundation reflects the unwavering commitment to fulfill the needs of the communities growing population of seniors.

Besides capital projects, the foundation has been a promoter of medical education. Through tuition assistance and outright grants, many individuals have been educated and licensed as nurses. Pulaski Health Foundation has also sponsored and supported other community projects and organizations that benefit the wellbeing of residents in the

communities.

Pulaski Health Foundation's mission is to improve the community through health and wellness. The board of directors work diligently to identify opportunities that will be beneficial to residents of Pulaski County and surrounding communities. The foundation is committed to continuing to build and strengthen its services and seek new opportunities to support and enhance community involvement.
