Dear Santa,

I've been pretty good this year, but please don't ask my parents. I really want a hover board! My parents said no, so your my second person to go to. If a lot of kids want hoverboards for Christmas, and you don't know which one is mine, you can tell the elves to wrap mine in purple and pink wrapping paper. Just to get you buttered all up and really jolly, I will make you good Christmas cookies and milk.

Do you have a lot? I will tell you something I want. I want some posters to hang over my bed. I want to wish my family a good Christmas. I want another cat this year so I can cuddle with it. Christmas is obviously the best holiday because we get to spend time with our families. We also get to open presents and look into our stockings.
