Thank You

It is with great gratitude that I would like to thank everyone who supported my family and me through these past couple of months. From PasterTom's initial visit and prayer to the benefit that the fair board hosted. Every card, meal and prayer has been appreciated. I would especially like to thank Paster Tom for his trip to Indianapolis to pray with me before my operation. Eastern Pulaski Elementary and their generous Jean Day donation. I would also like to thank Jerry and Nancy Freeman for caring for me post-surgery and Darrel Gudeman for his support through my job. I want to also thank Gary Olson and team for their gun raffle and their services at the benefit. Sitting through the benefit and auction was very humbling. Diane Tiede made some delicious noodles that I am certain I am not the only one who enjoyed! I want to thank every person and business that donated to the auction as well as all the generous buyers. This entire experience has been very challenging but being part of such a caring and generous community makes it so much better. Thank you all.

- Michael Sehstedt

Trust God from the bottom of your heart; don't try to figure out everything on your own. Listen for God's voice in everything you do, everywhere you go; He's the one who will keep you on track.

Head Start students receive pajamas, books for Christmas

Jason Wolfe, of GiftCards.com, spoke with the Head Start children before he presented each of them with a gift card. Each child also received a pajama outfit and a book. Winamac Head Start Family Engagement Specialist Rosetta Podell said Head Start has benefited from the Pajama Program for the last couple of years. GiftCards.com partnered with the Pajama Program to give children the pajamas and books.

Chevelle, 3, was quite excited about her pajamas and book.

Hunter, 4, took a moment to look at the book and the gift card he received. Each child received a gift card in the amount of \$25.

Gracelynn, 4, talked with Jason Wolfe, of GiftCards.com, about the type of book she wanted.

Raeleigh, 4, was all smiles as she picked the book she wanted.

Addison, 4, took longer than most of the children because she wanted to make sure she had the right pair of pajamas.

When you choose a family medicine doctor for your prenatal care, labor and delivery, you may also choose to have the same doctor care for your children, spouse or other family members. Our family practice doctors provide pediatric care for all ages, including wellchild checks and treatment of most child-related illnesses. Additionally, they get to know the entire family and each member's health history, making them aware of the physical, emotional and social issues that can affect the health of each family member.
