NIPSCO warns customers to be aware of scams

This month, calls from scammers to area homes and businesses posing as NIPSCO employees have sharply risen. Recent, and common reports from NIPSCO residential and business customers state that they have received calls and texts from people claiming to be NIPSCO employees and demanding payment to avoid their service being disconnected.

NIPSCO wants to emphasize that the company never demands immediate payment via a prepaid card, or in cash at a person's residence or place of business. These scammers have even presented information that only the customer may know in an attempt to gain their trust.

If a customer receives a suspicious call, email or home visit, they should immediately verify their account status at myaccount.nipSCO.com or contact NIPSCO's Customer Care Center at 1-800-464-7726. Additionally, customers should NOT call any number they are given.

If a customer is a victim of a scam, they should report it to their local police.

Additional tips for customers to avoid potential scams

- Guard your personal information – Never give personal information, including your NIPSCO account number, social security number and/or banking information to unconfirmed sources. We only ask for a social security number when establishing new service or verifying a customer's identity.

- Verify your account status – Scammers may insist that your account is in arrears, or past due, even when you have paid your bill. You can verify your account status by visiting myaccount.nipSCO.com.
- Call us – If you are unsure about a phone call, email, program, offer or person claiming to be affiliated with NIPSCO, please call our Customer Care Center at 1-800-464-7726.
- Know your payment options – We will never ask for a pre-paid debit card or money gram as a payment method. To more easily spot a potential scam, learn more about our payment options at nipSCO.com/bills-and-payments.
- Never agree to meet in person – Some scammers ask customers to meet them in person to make payments with cash or prepaid cards, which you should avoid.

What to do if someone visits your home or business

- Ask to see ID – Our employees and contractors carry photo ID badges and will gladly show you upon request.
- Call us – If you are unsure about a person claiming to be affiliated with NIPSCO, please call our Customer Care Center at 1-800-464-7726.
- Use caution with cash – Our employees do not collect cash payments nor deliver cash refunds or rebates to customers. Refrain from sending cash through the mail to prevent loss or theft. For more information on authorized, secure payment methods and locations, visit: nipSCO.com/bills-and-payments.

Dear Sam,

I thought we were in this together,
but apparently I was wrong.

You've been ignoring me for a
while. We don't go for walks as
often as we used to. You barely eat
anything green anymore. And you
don't realize the daily pressure you
put me under. It's just too much.

I QUIT!

Sincerely,

Your Heart

Don't let your heart quit on you. If you are living with high blood
pressure, just knowing and doing the minimum isn't enough.

Uncontrolled high blood pressure could lead to stroke, heart
attack or death. Get yours to a healthy range before it's too late.
