October is BREAST CANCER AWARENESS MONTH

Woodlawn Health supports Breast Cancer Awareness Month and reminds you that prevention starts with healthy habits.

Women over 40 should complete a mammogram screening annually. If you have family history of breast cancer, ask your care provider when to start screenings.

To schedule your mammogram, call Woodlawn Diagnostic Imaging at 574-224-1151.

The Facts:

1 in 8 women
living in the U.S. will be diagnosed with breast cancer in her lifetime

and 3 out of 4
of those diagnosed with breast cancer have no known risk factors.

25%
of women who die from breast cancer are diagnosed in their forties.

100%
But if the cancer is detected before it has spread, the chance for a cure is nearly 100%.

Schedule a genius3D exam

Insist on a genius3D exam for better, earlier breast cancer detection!

Thank You

The family of the late Clara Viktora would like to extend our sincere thanks for all of the many kindnesses, condolences and support that we have received. We also send our gratitude and appreciation to Pastor Judy Doll for her words at the service, and the St. James Salem Ladies Guild for providing a wonderful meal after the service. We truly are thankful for everything during these hard times. Tony and Clara Viktora will be greatly missed but still very loved by so many.
